# Petition to Re-Affiliate 2008-2009 Season

## Petition Information

The Petition to Re-Affiliate formalizes the process by which an NCFCA Affiliate family may move its affiliation from the Region of residence to another Region. Each NCFCA Affiliate family is placed in one of ten NCFCA Regions (refer to [www.NCFCA.org](http://www.NCFCA.org) for current Regional boundaries) based on the residence address reported to NCFCA on the NCFCA Affiliate Application. In some cases (geography, club allegiances, etc), it would be in the Affiliate family's best interest to move their NCFCA affiliation to a different Region. Upon proper submission of this Petition, the appropriate NCFCA committee will review and notify the Affiliate family.

The Petition to Re-Affiliate *represents a one-time change for the current competitive season only*. The Petition may only be filed once per year and may not be revoked once submitted. The Petition should be filed subsequent to or concurrent with the NCFCA Affiliate Application. Any Petition to Re-Affiliate *must be received prior to December 31, 2008* for the 2008-2009 competition season.
