If you plan to **participate in any NCFCA tournaments** during the upcoming season, you will need to complete our **affiliation process**. We require this once per season for each family.

In order to affiliate with our league, you must affirm your commitment to supporting our mission, which is **to challenge and equip ambassadors for Christ to communicate truth with integrity and grace**. This mission is for all participants in our league—not just our competitors. We are equally committed to supporting parents, judges, and observers as they grow in God-honoring communication skills for the sake of Christ and His kingdom.

You will also be asked to affirm our **core values, foundational beliefs, and league policies**.

Our core values are **Godly Wisdom, Redeeming Truth, Gracious Communication, Enduring Excellence, and Constructive Community**.

Our **Mission Statement, Core Values, Foundational Beliefs, and League Policies** are all available from the About menu on our website. We are firmly committed to these hallmarks of our league, and we ask that you sincerely evaluate whether your family can align with them before committing to join us.

You can start the affiliation process from the **Join-the-League page** on our website. This page offers instructions, policies, and FAQs, but you are always welcome to contact the NCFCA office if you have any questions or need help.

Once you have completed and paid for the affiliation process, you will be able to **add and update profiles for your family members**. We suggest that you do this right away so that members of your family receive league news as we prepare for tournaments. Every family member in our system must have a valid and unique email address, even if mom is the only one checking it for now.

Please note that affiliating for the season is not the same as registering for individual tournaments. For each tournament, you will need to complete a separate registration process to choose and pay for events for each competitor.

**Thank you** for your thoughtful consideration of what it means to participate in our league, and we hope to welcome you this season!
