Dear NCFCA National Championship Competitors:

Congratulations on qualifying for the National Championship! This remarkable achievement demonstrates both your hard work and your passion for public service. It also demonstrates your commitment to civil and collegial debate—something that is so important today, where as a society we must live together as friends and fellow citizens notwithstanding our disagreements on the issues of the day.

I wish you much success in your future careers, and look forward to seeing many of you become my peer in the years to come.

Best regards,

Noel J. Francisco
